Riverside County Celebrates Leap Year with Unique Wedding Opportunities

Riverside, CA – The Riverside County Assessor-Clerk-Recorder’s office proudly offers a special opportunity for couples eager to make their wedding day uniquely memorable. This Leap Year, seize the chance to mark your union on Leap Day, February 29th, a date as extraordinary as your love story.

Leap Year brings an extra day to our calendar every four years, aligning our calendar with the Earth’s orbit around the Sun. Leap Day, February 29th, emerges as an ideal date for celebrating major life milestones, such as weddings, symbolizing the unique and lasting bond between partners.

“Leap Year gives us the chance to host weddings on February 29th, a date that’s special because it’s so rare, appearing just once every four years. I look forward to seeing couples take this unique opportunity to celebrate their love,” said Peter Aldana, Assessor-Clerk-Recorder. “At the Riverside County ACR, we’re committed to ensuring that every wedding ceremony, especially on Leap Day, is as memorable and unique as the date itself.”

We are ready to assist at all six Riverside County locations: Downtown Riverside, Riverside Gateway, Temecula, Palm Desert, Hemet, and Blythe. Couples are encouraged to learn about obtaining a marriage license and planning their ceremony with us. Our website is filled with comprehensive information and resources to make your journey to marriage both simple and enjoyable.

Couples seeking information on marriage services, including appointment scheduling and office hours, are encouraged to visit the Riverside County Clerk’s Office website at www.rivcoacr.org/Marriages. For additional questions, please call the Clerk-Recorder’s information line at (951) 486-7000

Celebrate your love by joining hands in marriage on Leap Day, transforming a rare moment into the beginning of your lifelong journey together.
